MEMORANDUM FOR: Dr. Henry A. Kissinger

Attached for your information is a memorandum describing some new excavation and construction activity at two of the Soviet SS-11 complexes in the western USSR.

Because this kind of sensitive intelligence has leaked to the press in the past, I have decided to withhold it from our publications until you have had an opportunity to review it and can indicate how you want it handled.

James R. Schlesinger

19 June 1973 (DATE)

FORM NO. 101 REPLACES FORM 10-101 1 AUG 54 101 WHICH MAY BE USED
